Scheduled Run

This menu allows you to specify the users authorized to schedule a report run. [See scheduling dedicated page.](#)

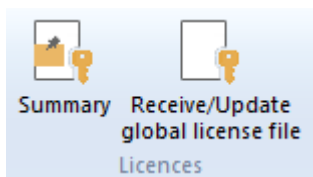

- The top part allows you to enter the default user.
 - The button Check Login tests that the combination user / password is correct.

- The bottom part allows you to enter the other authorized users.
 - The    buttons allow you to respectively add, modify or delete one of the Other Users.
 - The button Check Login tests that the combination user / password is correct.

Licence

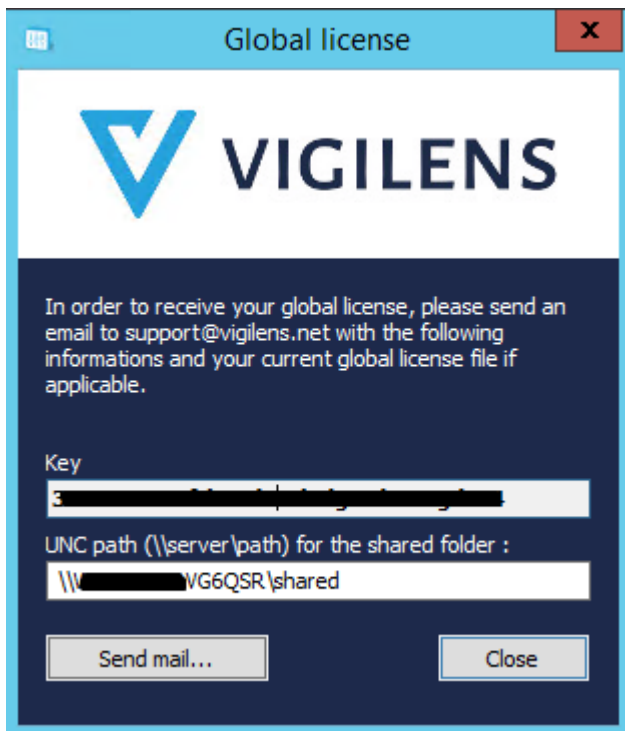

Manage and review your licence informations.

Summary

Viewing the contents of the license files "LicenseGen.evs" and "LicenseGen.dat".

Receive/update global license file

A dialog box specifying the key corresponding to your global license is displayed. Enter the UNC path corresponding to your shared directory and send this information to the following address **support@vigilens.net**.

You can use the button `Send a mail...` if a mail client is installed on the computer or if the information corresponding to the mail settings ([see mail setup](#)).

Otherwise you can copy the key by copy/paste to avoid typing errors.

You will receive in return the files "LicenseGen.evs" and "LicenseGen.dat" that you will have to put in the shared directory.
